Monthly website care.
12 checks, 30 minutes.

قائمة العناية الشهرية بموقعك.

SPEED

- [ ] **Test your speed on a phone**
  Google PageSpeed Insights, mobile tab. Aim for 90 or more.
- [ ] **Compress new images**
  Images over 300 KB slow pages down on mobile data.
- [ ] **Update plugins and theme**
  Take a backup first, then update.

ENQUIRIES

- [ ] **Send a test message through every form**
  Check it reaches your inbox, not spam.
- [ ] **Tap your WhatsApp and call buttons**
  On a real phone, on English and Arabic pages.

RESULTS

- [ ] **Count enquiries by source**
  WhatsApp, forms and calls, compared with last month.

Monthly website care

ENQUIRIES

- [ ] **Reply to new enquiries within 5 minutes**
  During working hours. The fastest reply often wins the job.

CONTENT

- [ ] **Update one page or post**
  A fresh offer, price or project.
- [ ] **Check prices, hours and phone numbers**
  On every page, in both languages.

HEALTH

- [ ] **Fix broken links**
  A free link checker finds them in minutes.
- [ ] **Check domain and SSL renewal dates**
  An expired domain takes the whole site down.
- [ ] **Test that a backup restores**
  A backup you never tested is a guess.
